
A Parent's Guide to the Learning Disabilities associated with Neurofibromatosis Type 1

A unique guide designed as a resource for parents of children with both NF1 and learning disabilities – at all school ages. Whether your child is just entering kindergarten, or is into his/her high school years, you will find relevant material to address his/her educational needs in this guide. Included in the booklet is information on:

- Explaining NF1 to Teachers
- Cognitive Functioning with NF1
- Social Challenges Common to NF1
- NF1 and Physical Activity
- Attention Deficit Disorders and NF1
